Keynote Speeches

Blockchain Solutions for Enterprise
10.10AM - Transforming the NHS: Making the best use of technology
Sam Shah, Director of Digital Development, NHS England

AI Technology Solutions
10.30AM - From 0 to 100 Million Messages a Day: Steps to Build, Optimize, and Scale Enterprise Grade Intelligent Agent
Lauren Kunze, CEO, PandoraBots

Smart Transport and Cities
10.50AM - Smart Logistics and the Connected Fleet
Guus Schellekens, IT Director, UPS

Connected Industry
12.30PM - Understand the benefits of a hybrid connectivity strategy for industrial IoT
Patrice Stupowski, Chief IoT Officer and VP Digital Innovation, Orange

Big Data Business Solutions
1.30PM - The emerging of rich customer insights from raw data to Intelligent Customer Assistants
Nelson Pereira, Customer Engineering Manager,Google Cloud

Fintech, Securities & Regulation
2.00PM - Bank of England, Payments and Fintech, what next?
William Lovell, Head of Future Technology, Bank of England

Cyber Security - Emerging Tech & Regulations
2.20PM - Quantum Key Distribution – unhackable future networks
Andrew Lord, Head of Optical Research, BT

GET INVOLVED!

SPEAK, SPONSOR OR EXHIBIT AT A FUTURE EVENT.

IoT TECH EXPO WORLD SERIES
BLOCKCHAIN EXPO WORLD SERIES
CYBER SECURITY & CLOUD EXPO WORLD SERIES
AI & BIG DATA EXPO WORLD SERIES

IoT Innovations & Solutions

Free to Attend

10:00AM **IoT Innovations & Solutions: Chair's Welcome and Opening Comments**
Saverio Romeo, Strategic Advisor, IoT Analytics

10:20AM **IoT Innovation: Creating value with embedded vision IoT solutions**
Florian Schmelzer, Product Manager, Basler AG

10:40AM **IoT Innovation: Capabilities with Mobotix**
Frank Graham, Regional Sales Manager, UK, Ireland & Benelux, MOBOTIX AG

10:55AM **Last Mile of IOT**
Andrew Baker, Senior Manager, Service Cloud Emerging Products, Salesforce

11:15AM **IoT Innovation: Build IoT Apps & Microservices just by using your Spreadsheet skills**
Philipp Struss, COO, cedalo

11:35AM Networking Break

12:00PM **IoT Innovation: Securing IoT devices using Blockchain**
Steffen Kux, Head of Consulting, Slock.it

12:20PM **IoT Innovation: Security Management in an IoT Driven World**
Sean Gulliford, Principal Consultant - Connected Devices, Gemserv

12:40PM **The Code of Practice: Embedding security within Consumer IoT**
Peter Stephens, Head of Secure by Design, Department of Digital, Culture, Media & Sport

01:00PM **IoT Innovation: Pragmatic security for consumer IoT**
David Mudd, Business Development Director – IoT, BSI

01:15PM Networking Break

02:10PM **IoT Innovation: New wireless technologies for energy management**
Klemen Logar, Sales Director, Solvera

02:20PM **IoT Innovation: AI On The Edge**
Fabrizio Del Maffeo, Vice President & Managing Director, AAEON Technology Europe BV

02:40PM **The Application of Cloud Robotics**
Ajit Jaokar, Course Director - Data Science for Internet of Things Course, University of Oxford

03:10PM **IoT Innovation: Deriving Value from the IoT**
Fanny Goldschmidt, Area Sales Manager, OpenDataSoft

03:30PM **IoT Innovation: Open markets of IoT services and the emergence of the Sentient Web**
Dr. Dave Raggett, Fellow, W3C

03:50PM **Session Close**

Business Outcomes of the IIoT

Free to Attend

Hosted By Industrial Internet Consortium

09:40AM **Business Outcomes of the IIoT: Chair's Welcome and Opening Comments**
Jim Morrish, Co-Chair, Business Strategy and Solution Lifecycle Working Group, IIC

10:00AM **Handling the data explosion to create truly Smart Cities**
Peter Pugh-Jones, Head of IoT Operations, EMEA & AP, SAS

10:30AM **IIoT, I4.0 and Secure CPPS - Automation-based Zero-Trust helps solve the challenges of Security and Privacy for IIoT**
Philip Griffiths, Head of EMEA Partnerships, NetFoundry

11:00AM **Why IoT Trustworthiness is critical to the Business Outcomes of the IIoT**
Bassam Zarkout, Executive Vice President, IGnPower Inc.

11:30AM Networking Break

12:00PM **Li-Fi to enable IoT/IIoT: Revolution in Wireless Communication**
Farid Bicharah, CTO, AASki Inc.

12:30PM **Blockchain and AI as a chance for projects in ecosystems**
Daniel Burkhardt, Researcher, Ferdinand Steinbeis Institute

01:00PM **Business Outcomes of IIoT at a Midsize Packaging Manufacturer**
Roger Richardson, Commercial Director, Corlina

01:30PM Networking Break

02:30PM **Secure Grip for PLCs on the Road to Enhanced Security in the Connected Age**
Glenn Bates, Senior Commercial Engineer, Rockwell Automation
Ton van den Berg, Sales Manager Belgium & France, WIBU SYSTEMS

03:00PM **Edge computing in Realtime for a Digital Twin**
Ulf Magnus Wolkersdorfer, Sales Director Europe, Aicas GmbH

03:30PM **An industry analyst view of the IIoT landscape**
Ian Hughes, Senior Analyst, Internet of Things, 451 Research

04:00PM **Session Close**

Connected Industry

10:00AM **Connected Industry Day 2:Chair's Welcome and Opening Comments**
Dr Milos Milojevic, Consultant, Future of Technology, Capgemini Invent

10:20AM **The sensorisation of road networks: From road condition to automation**
David Trousdale, Principal ITS Engineering Manager, Amey

10:50AM **Panel: Factories of the future**
Moderator: Lorenzo Veronesi, Research Manager, IDC Manufacturing Insights, EMEA, IDC
Prince Boadu, Senior Supply Specialist, Product Supply, Merck Consumer Health GmbH- An affiliate of the P&G Group of Companies
Carl Diver, Academic Lead on Industry 4.0, Manchester Metropolitan University
Mike Loughran, CTO UK/Ireland, Rockwell Automation

11:30AM Networking Break

11:50AM **Digital Catalysts & The Future of British Manufacturing**
Moderator: Asif Moghal, Senior Industry Manager – Design & Manufacturing, Future of British Manufacturing, an Autodesk Initiative
Umar Hossain, Digital Catalyst - FOBMI, Future of British Manufacturing, an Autodesk Initiative & Imperial College London
Steve Cox, Digital Catalyst Programme Manager - FOBMI, Future of British Manufacturing, an Autodesk Initiative
David Atkinson, UK Head of Manufacturing SME & Mid Corporate Banking, Lloyds Banking Group

12:30PM **Keynote: Understand the benefits of a hybrid connectivity strategy for industrial IoT**
Patrice Stupowski, Chief IoT Officer and VP Digital Innovation, Orange

01:00PM Networking Break

02:00PM **Using intelligent connectivity to transform the IoT edge**
John Candish, Head of IoT Products, SAP Digital Interconnect, SAP

02:30PM **Technology enabled Operational Excellence**

03:00PM **Connectivity and Interoperability of Legacy Equipment**
Sujatha Vaidyanathan, Senior Manager, Supply Chain and Operations Analytics, Accenture

03:30PM **Session Close**

Smart Transport & Cities

10:00AM **Smart Transport and Cities: Chair's welcome and opening comments**
Michele Mackenzie, Principal Analyst, M2M and IoT, Analysys Mason

10:20AM **Increased End-to-End Visibility and Asset Management using the IoT**

10:50AM **Keynote: Smart Logistics and the Connected Fleet**
Guus Schellekens, IT Director, UPS

11:20AM Networking Break

12:00PM **EDF Energy R&D: Smart Energy Applications for the Energy Revolution**
Benjamin Mousseau, Smart Energy Application Manager, EDF

12:30PM **Panel: Intelligent Transport Systems for the Connected Consumer Moderator:**
Michele Mackenzie, Principal Analyst, M2M and IoT, Analysys Mason
David Trousdale, Principal ITS Engineering Manager, Amey
Paul Copping, International Adviser / Former CIO, Sightline Innovations / Digital Greenwich
Antonio Ponzo Pellegrini, Deputy Mayor for Innovation, Smart City, Business Development, Agriculture, and Enterprise, Empoli Municipality

01:10PM Networking Break

02:00PM **Case Study: The use of IoT to create a truly connected city**

02:30PM **Panel: The Future of Smart City Infrastructure**
Moderator: Abraham Joseph, Founder and Editorial Director, IoT Insights
Lindomar Minguel, Ambassador for the Urban Air Mobility European Marketplace - The Netherlands, European Commission
Sieleen Nandar, Industry Solutions Executive/ Smart & Connected Communities, Cisco
Chris Welby, Head of Regulation, Bristol Energy
Johanna Juselius, Senior Advisor, EU Affairs, Helsinki-Uusimaa Regional Council

03:10PM **Sharing Cities – A path to Mainstream Smart City Technology** Nathan Pierce, Head of the Smart London Team, Greater London Authority

03:40PM **Session's Close**

Enterprise AI

09:30AM **Enterprise AI Day 2 - Chair's Welcome and opening comments**
Dr Bertie Mueller, Chair, The Society for the Study of Artificial Intelligence and Simulation Behaviour (AISB)

09:50AM **The History and Future of Machine Learning At REDDIT**
Anand Mariappan, Senior Director Of Engineering - Search & Machine Learning, Reddit, Inc.

10:20AM **How brands are using voice technology to connect with the consumer**
Verra Budimilija, Chief Strategy Officer, Wavemaker
Kathryn Saxon, Head of Audience Science, Wavemaker

10:50AM Networking Break

11:30AM **How AI Transformed the Employee Experience at Liberty Mutual - Case Study**
Gillian McCann, Head of Cloud Engineering & AI, Liberty Mutual Insurance

12:00PM **Panel: Harnessing the powers of chatbots for business**
Moderator: Elson Sutanto, Principal Analyst, Juniper Research
Lauren Kunze, CEO, PandoraBots
Gillian McCann, Head of Cloud Engineering & AI, Liberty Mutual Insurance
Terry Cordeiro, Head of Product Management - Chatbots, Messaging and AI, Lloyds Ban

12:40PM Networking Break

02:10PM **Personalization in Food Retail** Gilles Comeau, Head of ML and AI, Just-Eat

02:40PM **AI for marketing and advertising**
David Bailey, CEO and co-Founder, Aitrak
Katie Baker, Head of Retail Innovation, Samsung

03:10PM **Panel: AI & Big Data transforming Healthcare**
Moderator: Dr Bertie Müller, Chair, The Society for the Study of Artificial Intelligence and Simulation Behaviour (AISB)
Danilo McGarry, Associate Director - Automation / RPA, UnitedHealth
Dr. Steven Hamblin, Chief Operating & Technology Officer, Sensyne Health Plc
David Hogan, Sr. Director Enterprise, NVIDIA
Dr. Marius Terblanche, Senior Clinical Consultant, Guy's and St Thomas' NHS Foundation Trust

03:50PM **Session Close**

Big Data Business Solutions

09:30AM **Big Data Business Solutions: Chairman's Welcome**
Chris Tomlinson, Director, Data Science Foundation

09:50AM **Keynote: Responsibility in the Data Age**
Doug Cutting, Chief Architect, Cloudera

10:20AM **Panel: Creating a data-driven culture**
Moderator: Chris Tomlinson, Director, Data Science Foundation
Steve Caughey, Director National Innovation Centre for Data (NICD), Newcastle Helix
Gordon Coale, Senior Director - Data and Analytics, Carlson Wagonlit Travel
Peter Jackson, Director - Group Data Sciences, Legal & General

11:00AM Networking Break

11:30AM **From Zero to Data Science: Lessons Learnt**
Ben Dias, Head of Advanced Analytics and Data Science, Royal Mail

12:00PM **Using data to help make Mumsnet be even more useful to parents**
Simon Martin, Chief Commercial and Data Officer, Mumsnet

12:30PM Networking Break

01:30PM **Keynote: The emerging of rich customer insights from raw data to Intelligent Customer Assistants**
Nelson Pereira, Customer Engineering Manager, Google Cloud

02:00PM **How small steps get you to the promised land of a data-driven company**
Andreas Gertsch Grover, Director of Data Science, Charlotte Tilbury

02:30PM **Sky's innovative use of data and technology for audience targeting**
Sandy Ghuman, Audience Targeting Capabilities Consultant, Sky

03:00PM **Case Study: Legal & General**
Peter Jackson, Director - Group Data Sciences, Legal & General

03:30PM **Panel: Data and the customer**
Moderator: David Wells, Senior Research Manager, European Big Data and AI, IDC
Cathal Garvey, Data Scientist, Scrapinghub
Sandy Ghuman, Audience Targeting Capabilities Consultant, Sky
Gilles Comeau, Head of ML and AI, Just-Eat

04:10PM **Session Close**

AI Technology Solutions

Free to Attend

09:40AM **AI Technology Solutions: Chair's Welcome and Opening Comments**
Pete Trainor, Author, Mental Health Campaigner and Co-Founder, Us Ai

10:00AM **Future of Computing: Artificial Intelligence's Impact on Real World Scenarios**
Anthony Bartolo, Sr. Cloud Advocate, Microsoft

10:30AM **Keynote: From 0 to 100 Million Messages a Day: Steps to Build, Optimize, and Scale Enterprise Grade Intelligent Agents**
Lauren Kunze, CEO, PandoraBots

11:00AM **Challenges of Data, Features, and Compute at Facebook Scale**
Aditya Kalro, Engineering Manager, Facebook

11:30AM Networking Break

12:00PM **AI Technology Showcase**

12:10PM **Solo: Optimising entity due diligence with robotics process automation**
Mark Dunn, Director - Data as a Service, Lexis Nexis

12:20PM **Industry 4.0 - Surely its all about data and analytics... is it?**
Mauro Arruda, CEO, Smartia Ltd

12:30PM **AI : Experts not required**
Mark Braithwaite, Technical Specialist, Wolfram

01:00PM Networking Break

02:30PM **How AI Make Personalised Education Affordable for Every Family in China**
Dr. Wei Cui, Partner, Squirrel AI Learning

03:00PM **Computational Storage Accelerating AI Applications**
Jos Keulers, Sales Director EMEA, NGD Systems, Inc.

03:20PM **Panel: AI for social good**
Moderator: Pete Trainor, Author, Mental Health Campaigner and Co-Founder, Us Ai
Reema Patel, Programme Manager, Ada Lovelace Institute
Richard Freeman, PhD, Lead Data & Machine Learning Engineer, JustGiving
Emma Lawton, Digital Strategist, Parkinson's UK
Kristina Barrick, Head of Programme, Digital Commission, Scope

04:00PM **Session Close**

Developing Security Solutions

Free to Attend

10:00AM **Developing Security Solutions Day 2 - Chair's Welcome and Opening Comments**
Jason Reed, Senior Analyst, Cyber Security, Frost & Sullivan

10:20AM **Building a genuinely agile security team, enhancing productivity and visibility with minimal overhead**
Kevin Fielder, CISO, Just Eat

10:50AM **Re-inventing Identity Management at the BBC**
Ros Smith, Senior Product Manager - Identity Access Management, BBC

11:20AM **Panel: Implementing DevSecOps in Enterprise**
Moderator: Jason Reed, Senior Analyst, Cyber Security, Frost & Sullivan
Robin Vann, Commercial Director | Non-Executive Director, Reliance ACSN | Blue Solutions
Wenly Ng, DevSecOps Security Managing Advisor, Experian Global Security Office, Experian
Miguel Ornelas, Head of Continuous Assurance, HSBC
Kevin Fielder, CISO, Just Eat

12:00PM **It's not all tech: cultural change for DevSecOps**
Mike Bursell, Chief Security Architect, Red Hat

12:20PM **IoT and Device Authentication with ICMetrics**
Prof Klaus McDonald-Maier, CEO, Metrarc
Prof Gareth Howells, CTO, Metrarc Ltd

12:30PM Networking Break

02:00PM **Panel: Breaking the static security approach to application security Moderator:**
Lisa Ventura, CEO and Founder, UK Cyber Security Association
Deborah Haworth, Chief Information Security Officer, Penguin Random House UK
Mostafa Siraj, Head of UK Application Security, Capital One

02:40PM **Defencing the SMB Supply Chain with Full Visibility in Real-Time**
Robin Vann, Commercial Director | Non-Executive Director, Reliance ACSN | Blue Solutions

03:10PM **Case Study: Women in Cybersecurity**
Kathryn Brett Goldman, Director of Development, Ladies of London Hacking Society

03:30PM **Session Close**

Cyber Security - Emerging Tech & Regulations

09:30AM **Cyber Security - Emerging Tech & Regulations: Chair's welcome**
Paul McKay, Senior Analyst, Forrester

09:50AM **Evolving cyber intelligence landscapes**
Steve Wright, Former DPO | CEO, Bank of England | Privacy Culture

10:20AM **Implications of high profile data breaches**
Mary-Jo de Leeuw, Director of Cybersecurity Advocacy Europe Middle East & Africa, (ISC)²

10:40AM **Is the Cloud secure? It's easy if you do it smart**
Francesco Cipollone, Director of Events - UK Chapter, Cloud Security Alliance

11:00AM **Panel: The role of regulations & standards for cybersecurity compliance**
Moderator: Paul McKay, Senior Analyst, Forrester
Jon Townsend, CIO, National Trust
Mary-Jo de Leeuw, Director of Cybersecurity Advocacy Europe Middle East & Africa, (ISC)²
Steve Wright, Former DPO | CEO, Bank of England | Privacy Culture
John Elliott, Data Protection Advisor, Open Banking

11:40AM Networking Break

12:00PM **Security Behaviours: moving from knowing to doing**
Sarah Janes, Managing Director, Layer8

12:10PM **Panel: Exploring IAM**
Moderator: Alfred Rolington, CEO, Cyber Security Intelligence
Eduardo Helering, Lead Solutions Engineer EMEA, OneLogin
Maninder Singh, Associate Director - Cyber Risk Services, Deloitte

12:50PM **Using AI/ML to enhance security with AWS**
Orlando Scott-Cowley, Principal Technology Evangelist, Amazon Web Services

01:20PM Networking Break

02:20PM **Keynote: Quantum Key Distribution – unhackable future networks**
Andrew Lord, Head of Optical Research, BT

02:50PM **Panel: How artificial intelligence and blockchain are the battlegrounds for the next security wars**
Moderator: Stephen Sorrell, Principal Analyst, Juniper Research
David Atkinson, Founder & CEO, Senseon
Mike Bursell, Chief Security Architect, Red Hat
Dave Palmer, Director of Technology, Darktrace
Eduardo Diaz, Deputy General Counsel/Deputy Chief Compliance Officer, UniTeller - Banorte

03:30PM **Cloud security - is Blockchain the missing link**
Eduardo Diaz, Deputy General Counsel/Deputy Chief Compliance Officer, UniTeller - Banorte

04:00PM **Session Close**

Blockchain Solutions for Enterprise

09:50AM **Blockchain Solutions for Enterprise Day 2: Chair's Welcome and Opening Remarks**
Craig Wentworth, Research Director, European Blockchain Practice, IDC

10:10AM **Keynote: Transforming the NHS: Making the best use of technology**
Sam Shah, Director of Digital Development, NHS England

10:30AM **Providing Hyperledger Fabric blockchain services in Switzerland**
Alevtina Dubovitskaya, Consultant, Swisscom (Schweiz) AG

11:00AM Networking Break

11:40AM **Panel: Blockchain solutions for logistics and the global supply chain Moderator:** Brian Heinen, Founder, Local Producer
Leontien Hasselman-Plugge, CEO, SIM Supply chain Information Management
Udai Kiran Chilamkurthi, Lead Architect I Retail & Logistics, Sainsbury's
Emmanuel Marchal, Managing Director, ConsenSys

12:20PM **Blockchain enabling the next generation of trade & logistics**
Jens Munch Lund-Nielsen, Head of Global Trade & Supply Chains, IOTA Foundation

12:40PM **Blockchain in Healthcare - A fix or real fix?**
Konrad Dobschuetz, Commercial Director - Agile Team, Pfizer

01:00PM Networking Break

02:40PM **Intelligent blockchain solutions for increasing operational efficiency and effectiveness of government services**
Janak Kalaria, Senior Director, Analytics & Emerging Technologies, ICF

03:00PM **Panel: Blockchain in Healthcare and the Pharmaceutical industry**
Moderator: Craig Wentworth, Research Director, European Blockchain Practice, IDC
Patrick Curry OBE CEng, CEO, MediConnect
Konrad Dobschuetz, Commercial Director - Agile Team, Pfizer
Amit Patel, Director of New Ventures, Bupa
Sam Shah, Director of Digital Development, NHS England

03:40PM **Enterprise Blockchains as Digital Transformation enablers**
Dean Demellweek, CIB Industrial & Digital Transformation, BNP Paribas Corporate & Institutional Banking

04:00PM **How can blockchain give us a cleaner grid?**
Mayank Malik, Chief Data Officer & Blockchain Lead at SLAC National Accelerator Laboratory, Stanford University

04:20PM **Blockchain: Helping Central Banks to digitize Monetary Policy**
Simit Naik, Director of Business Services, nChain

04:30PM **Session Close**

Fintech, Securities & Regulations

Sponsored by Murphy & McGonigle

09:50AM **Fintech, Securities & Regulation: Chair's Welcome and Opening Remarks**
Oliver Bussmann, CEO & Founder, Bussmann Advisory AG

10:10AM **Out of the lab and into the business**
Ken Markie, CMO, B3i

10:30AM **Morning Keynote: The Future of U.S. Regulation in the Crypto Space**
James Murphy, Co-founder & Chairman, Murphy & McGonigle, P.C.

11:00AM Network Break

11:20AM **Blockchain; Where we came from and where we may be going?**
Richard Kastelein, EiC, Blockchain News

11:40AM **Panel: Maximising the potential of blockchain for financial services**
Moderator: Oliver Bussmann, CEO & Founder, Bussmann Advisory AG
Anton Ruddenklau, Head of Digital & Innovation for Financial Services, KPMG
Andrew Spears, Director, Product and Innovation, Natwest
Ville Sointu, Head of Emerging Tech, Nordea
Rodolfo Gonzalez, Partner, Foundation Capital

12:20PM **Digital Assets - Safe For Everyone**
Marina Khoustova, CEO, Crystal Blockchain Analytics, Bitfury Group

12:40PM **Gibraltar: Jurisdiction of Choice for Crypto Funds**
Joanne Rodriguez, Associate Director, Abacus Financial Services

12:50PM Networking Break

02:20PM **Afternoon keynote: Bank of England, Payments and Fintech, what next?**
William Lovell, Head of Future Technology, Bank of England

02:30PM **Panel: Blockchain and the evolution of investment**
Moderator: Ethan Pierse, Director, CryptoAssets Institute
Rashid Hoosenally, Co-Founder & CEO, Lacero
Michael Coletta, Head of Blockchain Technology, London Stock Exchange Group
Matthew Le Merle, Managing Partner, Keiretsu Capital
Michele Curtoni, VP – Digital Product Development, State Street

03:10PM **Blockchain for finance – A practitioner's guide to adoption**
Gaye Soykök, Head of Emerging Technologies, Legal and General

03:30PM **Panel: Crypto and blockchain - Threat or opportunity for financial services?**
Moderator: Gary Nuttall, MD, Distlytics Ltd.
Wayne Pisani, Partner, Grant Thornton
Josh Lawler, Partner, Zuber Lawler & Del Duca
Jane Zhang, CEO, Shellpay
Shahad Choudhury, Innovation Lead, UK Export Finance
Stijn Vander Straeten, CEO, Crypto Storage

04:10PM **Implications of a Digitized & Tokenized World Economy**
Matthew Le Merle, Managing Partner, Keiretsu Capital

04:30PM **Session Close**

Blockchain for Business

Free to Attend

In partnership with Hyperledger

09:40AM **Blockchain for Business Day 2: Chair's Welcome and Opening Remarks**
Thomas Power, Member Board of Directors, 9 Spokes

10:00AM **Hyperledger Sessions – Introduction**
Marta Piekarska, Director of Ecosystem, Hyperledger

10:05AM **Using Hyperledger Fabric in Production, Securely**
Jonathan Levi, CEO, Hacera

10:35AM **Bringing trust and traceability to supply chain with Hyperledger Sawtooth** Jon Geater, Chief Technology Officer, Jitsuin

11:10AM **Bridging the communities with Hyperledger Burrow**
Casey Kuhlman, CEO, MONAX

11:45AM **Using Hyperledger Indy in Healthcare**
Dr Manreet Nijjar, Co-Founder, truu

12:20PM **Building self-sovereign identity on Hyperledger Indy**
Senior Representative, Hyperledger

01:00PM Networking Break

02:40PM **Lessons from $1.3B worth of token sales**
Dr. Joppe Stokholm, Chief Legal Officer & Partner, AmaZix
José María Macedo, Head of Advisory & Partner, AmaZix

03:00PM **Panel: How, What, When - Strategic and regulatory hurdles to overcome**
Moderator: Dieter Brockmeyer, Global Media & Entertainment Commissioner, International Commission of Diplomacy
Patrick Bont, Head of Banking Division and Fintech Practice Leader, Financial Market Authority Liechtenstein
Jonathan Galea, Managing Director, Blockchain Advisory

03:40PM **Confluence of Privacy and Transparency – A custom Solution by Gingr**
Stefan Godly, R&D, Gingr AG
Sergio Rigert, CEO, Gingr AG

04:00PM **Session Close**

Blockchain Technology Solutions

Free to Attend

10:00AM **Blockchain Technology Solutions: Chair's Welcome and Opening Remarks**
Alex Nascimento, Co-Founder, UCLA Blockchain Lab

10:20AM **Blockchain, DLT and Technology Assurances**
Dr Joshua Ellul, Chairman, Malta Digital Innovation Authority, FinanceMalta

10:40AM **The rise of token economies**
Dr. Johannes Sneweiss, CEO, CoreLedger

11:00AM **Blockchain for business use cases - HR, GDPR and Transparency**
Galya Westler, Founder & CEO, Plazus Technologies

11:10AM **Fundamental limitations of blockchain architecture and the next generation architecture models**
Richard Dennis, Founder, temtum

11:30AM Networking Break

11:50AM **Keynote Panel: What does the future hold for blockchain technology - Where will we be in 2025?**
Moderator: James J. Angel, Associate Professor of Finance, Georgetown University
McDonough School of Business
Mikolaj Dziwenga, Chair - International Committe, The British Blockchain Association
Phil Zamani, CEO & Chairman, aergo.io by BLOCKO
Donna Redel, Board Member, New York Angels
Sally Eaves, Blockchain Social Impact Lead | Official Member, Government Blockchain Association | Forbes Technology Council

12:30PM **World premiere: Revolutionizing the oldest industry in the world**
Stefan Godly, R&D, Gingr AG
Sergio Rigert, CEO, Gingr AG

12:50PM **Blockchain technology – a case study**

01:00PM Networking Break

02:30PM **The Future Of Virtual Commerce: Under the Hood of the In-Game Items Trading Universe**
Vlad Panchenko, CEO & Founder, DMarket

03:00PM **Panel: Architecture behind Blockchain Solutions - A deep understanding of blockchain**
Moderator: Rhian Lewis, Founder, London Women in Bitcoin
Clare McKeever, Software Engineer, PwC
Billie Xu, Emerging Technology Researcher, London Stock Exchange Group
Richard Dennis, Founder, temtum

03:40PM **Identity management – how can blockchain help?**

04:00PM **Session Close**

DAY 1, 25TH APRIL

AI & BIG DATA EXPO GLOBAL 2019 | CYBER SECURITY & CLOUD EXPO GLOBAL 2019 | IoT TECH EXPO GLOBAL 2019 | BLOCKCHAIN EXPO GLOBAL 2019

Keynote Speeches

Enterprise Security - IoT & Digital Transformation
10.20AM - Can you enable SaaS based Line of Business agility, without compromising IT security?
Eduardo Helering, Lead Solutions Engineer EMEA, OneLogin
Daniel Power, General Manager, Northern Europe, OneLogin

Blockchain Platforms & Strategies
10.30AM - Driving transparency through provenance tracking
Leanne Kemp, CEO & Founder, Everledger

Data analytics for AI & IOT
10.30AM - Solving customer problems with the power of AI
Ibrahim Gokcen, CTO, Schneider Electric

Developing Security Solutions
2.20PM - Policing in cyber space – The Law Enforcement response to cyber crime
Ben Russell, Head of Cyber Threat Response, National Crime Agency

Blockchain Solutions for Enterprise
2.30PM - Lighting up the path to mainstream adoption
Steve Davies, Global Blockchain Leader, PwC

Enterprise IoT Solutions
2.30PM - IoT & The Intelligent Enterprise; What Matters?
Matthew Jennings, Global Vice President, Intelligent Enterprise Solutions, SAP

Enterprise AI
2.40PM - What is the true adoption of AI
David Hogan, Sr. Director Enterprise , NVIDIA

IOT TECH EXPO BLOCKCHAIN EXPO AI & BIG DATA EXPO CYBER SECURITY & CLOUD EXPO

NETWORKING PARTY

Join us for drinks and networking following the first day of the conference. The networking party will allow you to share your experiences from the day and have the opportunity to meet with existing and potentially new business partners in a more relaxed setting.

6PM – 11PM
THURSDAY 25 APRIL

PERGOLA OLYMPIA
LEVEL FIVE ROOFTOP, OLYMPIA CAR PARK, OLYMPIA WAY, W14 8UX

Developing for the IoT

Free to Attend

10:00AM **Developing for the IoT - Chair's welcome and opening comments**
Matt Hatton, Technology Industry Expert, Independent

10:20AM **Panel: The Fundamentals of IoT Device Management**
Moderator: Matt Hatton, Technology Industry Expert, Independent
Jeremy O'Donoghue, Board Director, GlobalPlatform
Dr Mohammed Zoualfaghari, Research Manager - IoT Architect & Technical Lead, BT
David Mudd, Business Development Director – IoT, BSI

11:00AM **IoT Design and Verification Challenges**
Yang Zou, IoT and Digital Solutions Business Manager, Keysight Technologies

11:30AM Networking Break

12:00PM **Building Event-Driven Systems at the Speed of IoT**
Blaine Mathieu, Chief Marketing & Product Officer, VANTIQ

12:30PM **Using AI for Real-Time Threat Detection across OT, IT and IoT**
Andrew Tsonchev, Director of Technology, Darktrace Industrial

01:00PM Networking Break

02:40PM **IoT Testing at Scale**
Steven Hewitt, Chairman MESA UK, SIG, MESA International

03:10PM **eSIM Technology as an Enabler for IoT Connectivity**
Mark van den Berg, Chairman, IoT World Alliance

03:30PM **Panel: Connectivity Considerations for IoT Solutions**
Moderator: Matt Hatton, Technology Industry Expert, Independent
Dimitrios Spiliopoulos, Internet of Things (IoT) Strategist, O2
Neil Bosworth, M2M Manager UK and Benelux, Gemalto M2M
David Boswarthick, Director CSC, ETSI

04:10PM **Meetup I Tech Thinkers and Makers: Funding IoT Start Ups**

05:10PM **Session Close**

Enterprise IoT Solutions

Free to Attend

10:00AM **Enterprise IoT Solutions: Chair's Welcome and Opening Comments**
Paul Miller, Senior Analyst, Forrester

10:20AM **The Future of Enterprise IoT**
Guillaume Sampic, Director of Strategy, BT Enterprise

10:50AM Networking Break

12:00PM **Emerging impacts of Edge through the lens of the Met Office**
Charles Ewen, Chief Information Officer, Met Office

12:30PM **People at the core of the Internet of Things**
Vincent Higgins, General Manager, Honeywell Connected Plant

01:00PM Networking Break

02:30PM **Keynote: IoT & The Intelligent Enterprise; What Matters?**
Matthew Jennings, Global Vice President, Intelligent Enterprise Solutions, SAP

03:00PM **Decentralised IoT Infrastructure: AERGO case study**
Phil Zamini, Chairman & CEO, AERGO Foundation

03:10PM **Panning for "Killer Apps" in the Gold Rush of 5G**
Peter Kuciak, Group VP, DialogicOne, Dialogic

03:40PM **Security frameworks and standards for the Digital Enterprise**
Jeremy O'Donoghue, Board Director, GlobalPlatform

04:10PM **Panel: Enterprise IoT, Benefits and Challenges**
Moderator: Paul Miller, Senior Analyst, Forrester
Nitin Manoharan, Head of Ent. Architecture & Tech Inno, Philip Morris Int.
Deryck Evelyn, Senior Global Accounts Executive, Logisense
Dave Clarke, SVP - Global Innovation Management, Kuehne + Nagel

04:50PM Networking Break

05:00PM **MeetUp I UK-AI Innovation**

06:00PM **Session Close**

Connected Industry

Free to Attend

09:30AM **Connected Industry: Chair's Welcome and Opening Comments**
Sylwia Kechiche, Principal Analyst, IoT, GSMA Intelligence

09:50AM **What does IIoT mean for Aerospace and how can we make it fly?**
Anes Hodžić, VP | Head of IoT | Digital Transformation Officer, Airbus

10:20AM **Panel: Creating a competitive edge with the IIoT**
Moderator: Sylwia Kechiche, Principal Analyst, IoT, GSMA Intelligence
Samuel Silva, CEO, Domatica IoT Technology
Armon Ghilai, VP Product Management, Eastern Peak
Thorsten Henkel, Director of Industrial Security Solutions, Fraunhofer SIT

11:00AM Networking Break

11:30AM **Unlock the value of Digital Transformation within the industrial environment**
Marc Barett, Regional Director EMEA, Customer Support and Maintenance, Rockwell Automation

12:00PM **Case Study: Getting the best out of your assets with IoT**
Harriveer Singh Dhingra, Global Digital Transformation, Corporate Venture Capital & New Ventures, Shell

12:30PM **IoT Edge Computing; Managing your data**
Mike Fay, Business Development Manager, IoT & Embedded Computing Group, Dell Technologies

12:50PM Networking Break

02:30PM **Panel: Predictive Maintenance - How to Unlock True 'Actionable Insight'**
Moderator: Maggie Slowik, Senior Research Analyst, IDC Manufacturing Insights, EMEA, IDC
Anes Hodžić, VP | Head of IoT | Digital Transformation Officer, Airbus
Mike Fay, Business Development Manager, IoT & Embedded Computing Group, Dell Technologies

03:10PM Networking Break

03:40PM **From connected vehicles to connected operations: how IoT can drive your digital transformation**
Victoria Choksi, Product Manager, Masternaut

04:10PM **#iotday**
Rob Van Kranenberg, Founder, IoT Council

04:40PM **Session Close**

Smart Buildings & Energy

Free to Attend

09:30AM **Smart Buildings & Energy: Chair's Welcome and Opening Comments**
Chris Pennell, Research Director, IDC Government Insights, Europe, IDC

09:50AM **Smart Buildings for Smart Business: Transform Buildings into Operational Assets**
Billal Vindhani, European Business Development Director for Connected Services, Honeywell

10:20AM **Panel: Smart Buildings for the Smart Enterprise**
Moderator: Chris Pennell, Research Director, IDC Government Insights, Europe, IDC
Sarb Sembhi, Joint Vice-Chair, Smart Buildings Group / Adviser, IoT Security Foundation & TechWorks
Harry Mylonadis, Technology & Innovation Consultant, ENGIE
Peter Brogan, Head of Research and Insight, Institute of Workplace and Facilities Management
Alejandro Navarro, Director Products & Analytics, Mitie Connected Workspace

11:00AM Networking Break

11:30AM **Large-Scale IoT deployments: A Journey into the Unknown?**
Alejandro Navarro, Director Products & Analytics, Mitie Connected Workspace

12:00PM **Smart Sensors for Buildings – Utilising the Data**
Andrew Burton, Manager of the Smart Homes and Buildings, Building Research Establishment (BRE)

12:30PM Networking Break

02:30PM **Smart Meters for Utilities**
Sacha Deshmukh, Chief Executive, Smart Energy GB

03:00PM **Panel: Smart Grids and Distributed Energy Resources**
Moderator: Elson Sutanto, Principal Analyst, Juniper Research
Professor David Healey, Director, Smart Energy, WSP
James Kerr, Senior Policy Researcher, Energy Networks and Systems, Citizens Advice
Nicola McCheyne, Head of Ideas Lab, Centrica Innovations
Victoria Doherty, BD Lead, QinetiQ

03:40PM **Deploying Distributed Energy Technology at Scale: a Case Study from OVO Energy**
Tom Pakenham, Director, Electric Vehicles, OVO Energy

04:10PM **Session Close**

Enterprise AI

09:30AM **Enterprise AI: Chair's Welcome and opening comments**
David Savage, Founder and Editor, Tech Talks

09:50AM **Keynote: The AI Goldrush: How do you make money off AI & ML?**
Dr Marc Teerlink, Global Vice President, SAP

10:20AM **Panel: Driving Digital Transformation through AI & Deep Learning**
Moderator: David Savage, Founder and Editor, Tech Talks
Hila Lamm, Chief Strategy Officer, Firefly.ai
Richard Sargeant, Chief Commercial Officer, Faculty
Abhi Baipai, Senior Manager, Technology Strategy, Natwest
Jenny Chong, Global Head of eCommunications Surveillance Technology, Credit Suisse
Raj Muppala, CEO & Founder, Ainfinity

11:00AM Networking Break

11:30AM **The Future Impact of AI on Cyber Crime**
Dave Palmer, Director of Technology, Darktrace

12:00PM **Panel: Examining AI uses in Banking & Finance Services**
Moderator: Kim Nilsson, CEO, Pivigo
Abhijit Akerkar, Head of Applied Sciences, Business Integration, Lloyds Banking Group
Pardeep Bassi, Head of Data Science, LV=
Bjørn Büchmann-Slorup, Head of Portfolio Management & Pricing, Danske Bank
Nicholas Reed, Senior Manager Strategy & Innovation, Saga PLC

12:40PM **The role of AI in the workplace**
George Zarkadakis, Digital Lead, Willis Towers Watson

01:10PM Networking Break

02:20PM **A sustainable approach to AI in the Enterprise**
Arash Ghazanfari, Field CTO | UK & Ireland Enterprise, Dell Technologies

02:40PM **Keynote: What is the true adoption of AI**
David Hogan, Sr. Director Enterprise, NVIDIA

03:10PM **Fairness in AI: Latest developments in AI Safety**
Ilya Feige, Head of Research, Faculty

03:40PM Networking Break

04:10PM **The Path to Enterprise AI: Tales from the Field**
Larry Orimoloye, Lead Solutions Architect, Dataiku

04:40PM **Panel: Driving value from Enterprise AI**
Moderator: Kim Nilsson, CEO, Pivigo
Adam Blum, CEO, Auger.ai
Larry Orimoloye, Lead Solutions Architect, Dataiku
Pardeep Bassi, Head of Data Science, LV=

05:20PM **Session Close**

Data analytics for AI & IOT

Free to Attend

Sponsored By Gemini

09:40AM **Data Analytics for AI and IoT: Chair's Welcome and Opening Remarks** Paige Leuschner, Research Analyst for Residential Energy Innovations, Navigant

10:00AM **Ensuring Your AI Projects are Successful**
Ian Tinney, SVP Technical Services and Cloud Operations, Gemini Data

10:30AM **Keynote: Solving customer problems with the power of AI**
Ibrahim Gokcen, CTO, Schneider Electric

11:00AM Networking Break

11:40AM **5.5 years of Data Science in a Large Corporate: lessons learnt, through use cases**
Filippo F.G. Della Casa, Head of Analytics, Chief Innovation Officer Department, LeithÅ - Unipol Group

12:00PM **Panel: IoT and AI Data analytics for intelligent decision making**
Moderator: Paige Leuschner, Research Analyst for Residential Energy Innovations, Navigant
Paul Copping, International Adviser / Former CIO, Sightline Innovations / Digital Greenwich
Joss Langford, Executive Director, Coelition
Lukasz Kuncewicz, Head of Data Science, Enigma Pattern
Faizan Patankar, Venturing and Incubation Lead, Rolls-Royce

12:40PM **Adopt dataops practices & build a datahub to industrialize data and AI projects**
Adrien Blind, DevOps & Tech Evangelist, Saagie

01:00PM Networking Break

02:20PM **Data warehouse, Business Intelligence and Analytics on the Tideway Project**
Nino Letterlello, former Head of Performance Reporting and Analytics, Tideway Project.

02:50PM **Panel: Big Data - Creating Intelligent Data Models**
Moderator: Paige Leuschner, Research Analyst for Residential Energy Innovations, Navigant
Ian Tinney, SVP Technical Services and Cloud Operations, Gemini Data
Dima Karamshuk, Principal Data Scientist, Skyscanner
Robin Patel, Big Data Architect, Mr & Mrs Smith
Adrian Foltyn, Data Science Expert, Ocado Technology
Callum Stott, Lead Data Scientist, M&S

03:30PM **Industry-ready data & machine learning pipelines**
Alejandro Saucedo, Chief Scientist, Institute for Ethical AI & Machine Learning

04:00PM **Making the Most of the Power of Payment Data**
Elisabeth Kurkowski, Lead Product Consultant Omnichannel Analytics, Wirecard

04:20PM Networking Break

05:00PM **MeetUp - Data Science Initiative**

06:00PM **Session Close**

Developing Security Solutions

Free to Attend

09:40AM **Developing security solutions: Chair's welcome and opening comments**
Andy Bates, Executive Director, Global Cyber Alliance

10:00AM **Dell Technologies approach to Security Transformation**
Arash Ghazanfari, Field CTO | UK & Ireland Enterprise, Dell Technologies

10:20AM **Creating a graph based security organisation**
Dinis Cruz, CISO, Photobox Group

10:50AM **Keynote: Does Multi Factor Authentication (MFA) without Single Sign On (SSO) make sense**
Daniel Power, General Manager, Northern Europe, OneLogin

11:20AM Networking Break

11:50AM **Panel: Sharing responsibility for cloud security**
Moderator: Lisa Ventura, CEO and Founder, UK Cyber Security Association
Dave Barnett, Head of CASB, Forcepoint EMEA
Francesco Cipollone, Director of Events - UK Chapter, Cloud Security Alliance
Daniel Power, General Manager, Northern Europe, OneLogin
Stephen Owen, Principal Cloud Security Architect & Data Protection Officer, Camelot UK National Lottery

12:30PM **Case Study: Keepit**
Senior Representative, Keepit

01:00PM **Case Study: Cloud access security brokers (CASBs) – the gatekeeper between on-prem and cloud infrastructure**

01:20PM Networking Break

02:20PM **Afternoon Keynote: Policing in cyber space - The Law Enforcement response to cyber crime**
Ben Russell, Head of Cyber Threat Response, National Crime Agency

02:50PM **AI: Positive forces at work, or false positives?**
Paul McCourt, Head of Inf. Sec., MADE.com

03:10PM **Panel: Role of ethical hacking and penetration testing**
Moderator: Andy Bates, Executive Director, Global Cyber Alliance
Luke Potter, Operations Director (Cybersecurity), SureCloud
Robin Fewster, Offensive Security Manager, Global Security, Sage
Paul McCourt, Head of Inf. Sec., MADE.com

03:50PM Networking Break

04:10PM **Cyber Risk – it's IT's problem isn't it?**
Andy Thomas, CEO, KYND

04:20PM **Breach and attack simulation**
Paul McCourt, Head of Inf. Sec., MADE.com

04:50PM **Session Close**

Enterprise Security - IoT & Digital Transformation

09:30AM **Enterprise Security - IOT & Digital Transformation: Chair's welcome**
Yiru Zhong, Lead Analyst, IoT & Enterprise, GSMA Intelligence

09:50AM **Security Strategy for the Enterprise**
Vittorio Maier, Lead Security Strategy & Architecture, Yorkshire Water

10:20AM **Keynote: Can you enable SaaS based Line of Business agility, without compromising IT security?**
Eduardo Helering, Lead Solutions Engineer EMEA, OneLogin
Daniel Power, General Manager, Northern Europe, OneLogin

10:50AM **Panel: The importance of collaboration for enterprise cybersecurity**
Moderator: Martin Overton, Founder and CEO, OMG Cyber Security
Vittorio Maier, Lead Security Strategy & Architecture, Yorkshire Water
Nigel Stanley, CTO - Global OT & Ind. Cyber Security CoE, TÜV Rheinland Group
George Tanneliffe, Head of IT Ops, National Theatre

11:30AM Networking Break

11:50AM **End to End security in IoT**
Shahram Mossayebi, Ph.D., CEO, Crypto Quantique

12:20PM **Panel: An E2E approach to tackling data security challenges of the IoT**
Moderator: Yiru Zhong, Lead Analyst, IoT & Enterprise, GSMA Intelligence
Piotr Ciepiela, EMEIA IoT/OT Security & Critical Infrastructure Leader, EY
Marilise de Villiers, Founder & Director, Marilise de Villiers Basson Consulting
Shahram Mossayebi, Ph.D., CEO, Crypto Quantique

01:00PM **Security Automation & Orchestration for IoT/Enterprise Delivered Through "Intent-Based Networking"**
Anthony Sabella, Principal Architect, Cisco

01:30PM Networking Break

02:30PM **Getting the Board on board**
Marilise de Villiers, Founder & Director, Marilise de Villiers Basson Consulting

03:00PM **Security as an Accelerator for Digital Transformation**
Paul Knott, Director, Security Strategist Northern Europe, Symantec

03:30PM **Cyber security for the transport industry**
Nigel Stanley, CTO - Global OT & Ind. Cyber Security CoE, TÜV Rheinland Group

04:00PM **Cognitive Security for the Industry 4.0 - Anomaly Detection and Integrity Protection**
Thorsten Henkel, Director of Industrial Security Solutions, Fraunhofer SIT

04:20PM Networking Break

05:00PM **MeetUp – Digital Transformation London**

06:00PM **Session Close**

Blockchain Solutions for Enterprise

09:50AM **Blockchain Solutions for Enterprise: Chair's Welcome**
Robert K Elder, President & Publisher, Blockchain News

10:10AM **How Blockchain could create Enterprise Value in the Manufacturing and Fast Consumer Good Sectors**
Nitin Manoharan, Global Head of Ent. Architecture & Tech Inno., Philip Morris Int.

10:30AM **4 Principles of Enterprise Blockchain Platform Design**
Moritz von Widekind, Head of Business Development Fintech Europe, Samsung SDS

11:00AM Networking Break

11:20AM **Learnings from 38 enterprise production blockchain deployments in Korea**
Phil Zamani, CEO & Chairman, aergo.io

11:40AM **Panel: Blockchain solutions for transparency, customer loyalty, profitability & provenance**
Moderator: Daniela Barbosa, VP World Wide Alliances, Hyperledger
Marc Tavemer, Global Ambassador, Bitfury
Sylvie Gleises, CEO Cont. Europe, AXA ART
Nitin Manoharan, Global Head of Ent. Architecture & Tech Inno., Philip Morris Int.

12:20PM **Creating real-world, interoperable applications for enterprise blockchain environments worldwide**
Chaals Nevile, EEA Technical Specifications Committee Chair, EEA

12:40PM **Building trust in land administration: smart contracts as the engine of governance**
Dave Stow, Lead Enterprise Architect, Ordnance Survey

01:00PM Networking Break

02:10PM **Food & Blockchain: Appetite for Disruption**
Vincent Doumeizel, Vice President Food & Sustainability, Lloyd's Register

02:30PM **Afternoon Keynote: Lighting up the path to mainstream adoption**
Steve Davies, Global Blockchain Leader, PwC

03:00PM **Blockchain scalability: The Technical Aspects, in Business Terms**
Emmanuel Marchal, MD, ConsenSys

03:20PM **Creating an Internet of Value: The Power of Blockchain**
Nadeem Ladki, Director, Bus. Dev., Ripple

03:40PM Networking Break

04:00PM **Panel: What blockchain technology brings to the Utilities and Energy Market**
Moderator: Henry Edwardes-Evans, Ass. Editorial Director, S&P Global Platts
Duco Drenth, Director New Tech., Dietsmann
Yannis Perrakis, Technology Principal, Digital Innovation, BP
David Ferguson, Head of Digital Innovation, EDF Energy

04:40PM **Applying blockchains for Lifelong Learning: lessons from the Open University**
Prof. John Dominque, Director, Knowledge Media Institute. The Open University

05:00PM **Meetup! EEA**
Chaals Nevile, EEA Technical Specifications Committee Chair, EEA

06:00PM **Session Close**

Blockchain Platforms & Strategies

09:50AM **Blockchain Platforms & Strategies: Chair's Welcome and Opening Remarks**
Stuart Ravens, Principal Research Analyst, Navigant

10:10AM **Building successful collaboration in Open Source environment**
Marta Piekarska, Director of Ecosystem, Hyperledger

10:30AM **Keynote: Driving transparency through provenance tracking**
Leanne Kemp, CEO & Founder, Everledger

11:00AM Networking Break

11:30AM **Panel: The benefits and challenges of incorporating blockchain platforms into your business model**
Moderator: Alex Nascimento, Co-Founder | MD, UCLA Blockchain Lab | LA Blockchain Lab | 7CC Blockchain Investments
Chris Clements, Senior Development Manager, New Ventures & Blockchain, PWC
William Lovell, Head of Future Technology, Bank of England
Ruben Theva, Former Global Director (GHQ), Anheuser-Busch InBev
Suyash Shrivastava, Manager, Solution Design Team, Maersk

12:10PM **Data - The business imperative**
Anwar Mirza, Global Head of Data Governance, TNT

12:40PM **The role of the decentralized community**
Henry Liu, Advisor & ANG, Factom Protocol

01:00PM Networking Break

02:30PM **Afternoon keynote: Smart Contracts in C#**
Rowan de Haas, Smart Contract Platform Developer, Stratis Group Ltd

03:00PM **Panel: Governance and regulation in Blockchain business networks**
Moderator: Laura Rachel Bailey, Board Member, techUK
Chris Humphries, Head of Digital, Blockchain & Fintech, Stuarts Walker Hersant Humphries
Daniel Payne, Shareholder, Murphy & McGonigle PC
Josh Lawler, Partner, Zuber Lawler & Del Duca
Tom Fothergill, Lead Policy Adviser, Government of Jersey

03:40PM Networking Break

04:00PM **Panel: The race towards Interoperability**
Moderator: Rachel Wolfson, Journalist, Forbes
Dean Croke, Board Member, BITA
Cillian Leonowicz, Head of Bus Dev, EMEA Blockchain Lab, Deloitte
Harry Mylonadis, Head of Tech. & Inno., ENGIE

04:40PM **Enterprise Ready – How to drive scale, performance & integration for Enterprise Blockchain Projects Synopsis**
Nkiru Uwaje, Blockchain Strategy Lead for UKI Enterprise, DELL Technologies

05:00PM **Meetup I BITA - Blockchain in Transport Alliance**

06:00PM **Session Close**

Blockchain for Business

Free to Attend

In partnership with Hyperledger

HYPERLEDGER

10:00AM **Blockchain for Business: Chair's Welcome and Opening Remarks**
Yadu Singh, Director, ISG

10:20AM **DLT for the Enterprise**
Paul Farrington, Technology Analyst, Stratis Group Ltd

10:50AM **Using blockchain in betting and iGaming**
Juliet Adelstein, Chief Operating Officer, GanaEight Coin

11:10AM **Aofex Workshop Sessions**
Ike Ndu, Founder & CEO, Aofex
Professor Birgitte Andersen, CEO & Co-Creator, Big Innovation Centre
Richard Kastelein, Founder, Publisher & EiC, Blockchain News

12:10PM **Keynote panel: The Role of Blockchain within your business model**
Moderator: Steven Kok, Principal, Boston Consulting Group
Galya Westler, Founder & CEO, Plazus Technologies
Daniel Bilocca, Head of Risk & Compliance, KSI Malta | Member of FinanceMalta
Leanne Kemp, CEO & Founder, Everledger
Michele Curtoni, VP – Digital Product Development, State Street

12:50PM **Deciphering Legislation and Technology: Malta in the Pole Position**
Jonathan Galea, Managing Director, Blockchain Advisory

01:10PM Networking Break

02:50PM **Blockchain for Business: Afternoon session Chairman's welcome**
Steven Kok, Principal, Boston Consulting Group

03:00PM **Panel: Cyber-security and the blockchain- technology for our safety**
Moderator: Britta Muzyk-Tikovsky, Managing Director, CAPSCOVIL
Dean Armstrong QC, Chairman, ELIAS Partnership Ltd | 36 Group
Alastair Band, Partner, Verum Ventures
Robert Rogenmoser, CEO & Founder, Securosys SA

03:40PM **Blockchain: Revolutionising Trust in an Uncertain Business World?**
Seamus Cushley, Director Blockchain, PWC

04:00PM **Telos: A third-generation public blockchain for Enterprise dapps**
Douglas Horn, Chief Architect and Whitepaper Author, Telos Blockchain

04:10PM **Blockchain for Business case study**

04:30PM Networking Break

05:00PM **MeetUp I London Cryptocurrency and Blockchain Beginners**

06:00PM **Session Close**

Investors & Innovation Zone

Free to Attend

09:40AM **Investors & Innovation Zone: Chair's welcome and opening comments** Sir John Hargrave, CEO, Media Shower

10:00AM **Security Tokens - Enabling new business models**
Thomas Borrel, Chief Product Officer, Polymath

10:20AM **Panel: An investors Q&A - The secrets to a successful start-up**
Moderator: Sir John Hargrave, CEO, Media Shower
Vladimir Velmeshev, Investment Director, Kosmos Capital
Katie Mills, Co-Founder, StateZero Labs
Gavin Gillas, Managing Partner, Yeoman's Growth Capital
Ulyana Shtybel, Co-founder & VP, HighCastle
Nic Niedermowwe, Co-founder and CEO, Primefactor Capital

11:00AM **Launching Blockchain Innovations**
Moderator: Sir John Hargrave, CEO, Media Shower
Emmanuell Tomes, Co-founder I CEO, Voltex
Zumar Ahmed, CEO & Founder, Dayta
Sergio Rigert, CEO, Gingr AG
Evangelos Pappas, CEO, Ocyan Cloud

11:30AM Networking Break

12:00PM **Panel: The rise of Crypto Capitalism – Equity or Coins?**
Moderator: Jonny Fry, CEO, TeamBlockchain
Patrick Lord, Partner - Fintech, Truffle Capital
Dr Herve Francois, Blockchain Initiative Lead, ING
Christoph Haimberger, Managing Partner, 202 Growth Capital
Jamie Burke, Founder & CEO, Outlier Ventures

12:40PM **Combining Securities Tokenization and Regulation - the Case of Interprom Mining AG**
Dr. Zlatin Sarastov, CFO, Blueshare

12:50PM Networking Break

02:00PM **Step Change in Securing Cryptoassets**
Alex Batlin, Founder & CEO, Tustology

02:20PM **MediConnect - Stopping prescription drug addiction**
Patrick Curry OBE CEng, CEO, MediConnect

02:30PM **Security Token Offerings: Tokenized Securities and the Future of Investment**
Ethan Pierse, Director, CryptoAssets Institute

02:50PM **The online casino world evolving into Blockchain - GBC**
Hayato Terai, Co-CEO, GBC
Nadia Adelstein, Chief Marketing Officer, GBC

03:20PM **Mining in the UK is profitable – Here's how to get 59% ROI**
Josh Riddett, CEO, Easy Crypto Hunter

03:30PM Networking Break

04:00PM **Panel: Updates on Security Tokens finance and investment**
Moderator: Dr. Gavin P. Johnson, Committee Member, Construction Blockchain Consortium
Andrea Bonaccio, CEO, Eterna Capital
Thomas Borrel, Chief Product Officer, Polymath
Theron Andrews, Partner and VP of Marketing USA, token.agency
Myles Milston, CEO & Founder, Globacap

04:40PM **Is Mass Adoption of Cryptos an Uphill Battle?**
Manju Nishshanka, Founder, MyntCoinz

04:50PM Networking Break

05:00PM **Meetup I Coinscrum**

06:30PM **Session Close**
