What is Slido?

Slido is an easy to use Q&A and polling platform. It helps attendees to get the most out of their experience at the conference by bridging the gap between speakers and their audiences.

Setting up Slido

To start, head to the Tech Expo World Series App (*you will be asked to create your profile if not already done so. The App can be downloaded on Apple IOS [here](#) or Android [here](#) or by searching "Tech Expo World Series". You MUST register for your pass to gain access to this tool. Your login details will then be emailed to you from noreply@meetings.encoremedia-group.com).*

1.

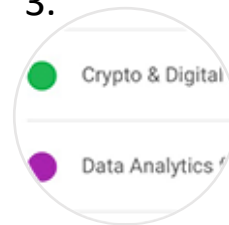

Open the Tech Expo World Series App and click the 'More' tab

2.

Select 'Sli.do Q&A', then register to join the conversation

3.

Select the room which you are attending from the list provided

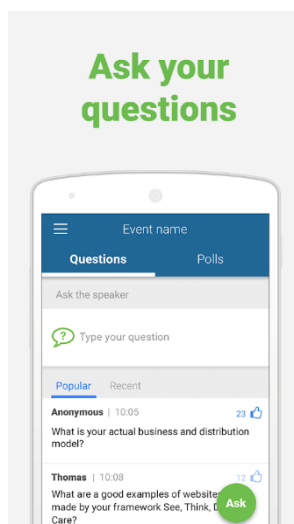

4.

Ask questions, interact with polls and share your ideas
